ITEM NET WEIGHT: 41.5LBS

PARTS INCLUDED:

Table Top (A)	Qty: 1 Pc
Table Base (B)	Qty: 1 Pc
Allen Bolt	Qty: 4 Pcs
Allen Wrench	Qty: 1 Pc

- Do not throw away packaging materials until assembly is complete
- Assemble this item on a soft surface, such as cardboard or carpet, to protect finish.
- Proper assembly of this item requires two people

TO ASSEMBLE:

1. This item has a table base that needs to be attached using the hardware and tools provided.
2. The TOP has been marked (A) and the BASE marked (B). Match the direction of the letters on the TOP and BASE.
3. Place BOLTS through base into rod and tighten with Allen wrench.
4. While fixing the bolts, do not tighten them completely. Leave the screws slightly loose and move the base if needed to ensure that they settle correctly in the slot for the frame. Gradually tighten once aligned. Completely tighten to ensure the hardware is secure.
5. Stand the table upright for use.

CARE INSTRUCTIONS:

Hardware may loosen overtime. Periodically check that all connections are tight. Wipe with a soft, dry cloth. To protect finish, avoid the use of chemicals and household cleaners.
