- Do not throw away packaging materials until assembly is complete.
- Assemble this item on a soft surface to protect finish.
- For safety, proper assembly requires two people.

## TO ASSEMBLE:

1. Place the base on the floor. Lift the table legs then place it onto the top, align as figure 1, onto the flange on the desk and turn in clockwise to tighten.
2. Turn the table over, check the stability of the table then lift to move it to final position.

## CARE INSTRUCTIONS:

Hardware may loosen over time. Periodically check that all connections are tight. Wipe with a soft, dry cloth. To protect finish, avoid the use of chemicals and household cleaners.
