

# ASSEMBLY INSTRUCTIONS

## ITEM DESCRIPTION:

ITEM NO.: FDS12                      NAME: Delrio Outdoor Dining Table

MATERIAL TYPE: Teak Wood      FINISH: Honey

ITEM NET WEIGHT: 220.2 lbs

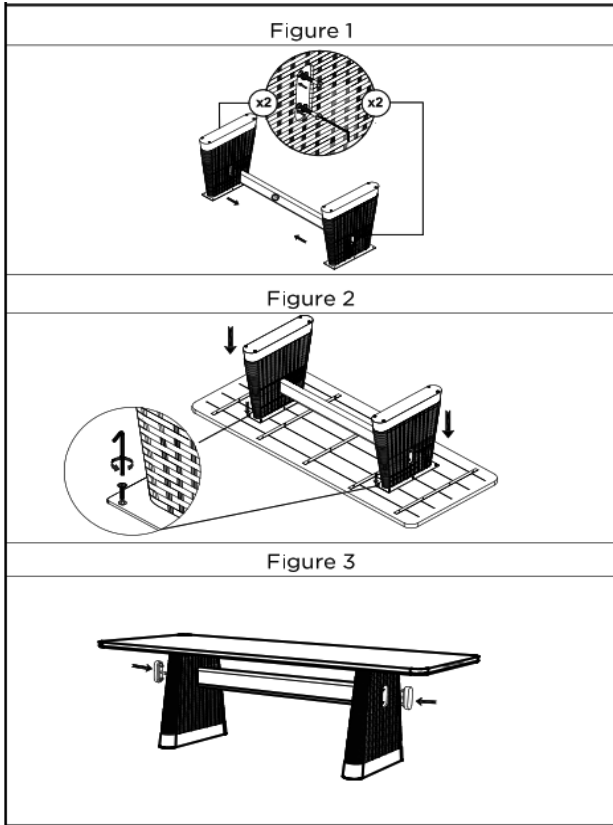

- Do not throw away packaging materials until assembly is complete
- Assemble this item on a soft surface to protect the finish
- For safety, proper assembly requires two people

### TO ASSEMBLE:

1. Place the table top upsidedown. Turn the table legs over, then lift to move the legs in alignment as Figure 1. Using your hands to attach all of the 70mm bolts into the thread holes to ensure they are not fully tightened. This will ensure the cross bar makes the right connection once attached in Step 2.
2. Place the legs onto the table top as in Figure 2 & attach the 30mm bolts by hand to ensure all connections are made.
3. After all connections are made, tighten the bolts with the allen key to ensure all connections to the cross bar and the table top are secure & fully tightened.
4. Attach the shutter pieces to the outside of the legs. Please ensure that the notch with the smallest width is closest to the table top.
5. With two people, turn the table over & check the stability of the table.

### CARE INSTRUCTIONS:

Wipe with a soft, dry cloth. To protect finish, avoid the use of chemicals and household cleaners. Hardware may loosen over time, periodically check that all connections are tight,
