

ASSEMBLY INSTRUCTIONS

ITEM DESCRIPTION:

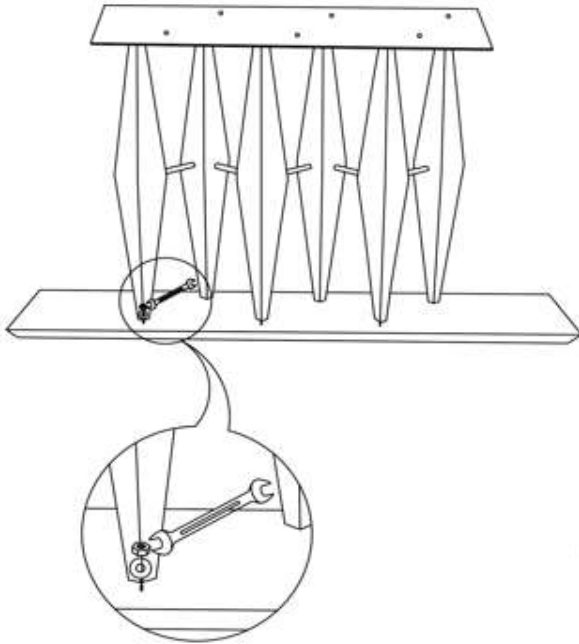

ITEM NO.: FLI09

NAME: Dagmar Console

MATERIAL TYPE: Iron/Marble

FINISH: Antique Gold/Black

ITEM NET WEIGHT: 162.7 LBS

PARTS INCLUDED:

Marble Top	Qty: 1 Pc
Iron Base	Qty: 1 Pc
Nut	Qty: 6 Pcs
Washer	Qty: 1 Pc
Iron Base	Qty: 1 Pc

Note: check all the hardware periodically as it may get loose and need to be tightened.

TO ASSEMBLE:

- 1 Place the marble top upside down on a clean and soft surface to protect the marble.
- 2 Position the metal base so that it lines up with the shape of the marble top and align with the holes.
- 3 Ensure that the predrilled holes in the metal base align with the pre-fixed bolts in the marble top.
- 4 For each attachment point where the metal base connects to the iron strip, insert a nut from the bottom side of the base.
- 5 Use the spanner to securely tighten the nuts onto each bolt.
- 6 With the metal base now securely attached to the marble top, carefully and with the help of an assistant if needed, flip the entire table right side up.
- 7 Ensure the table is level and stable. Clean the marble top and metal base as needed.

CARE INSTRUCTIONS:

Wipe with a soft, dry cloth. To protect finish, avoid the use of chemicals and household cleaners.
