

## ASSEMBLY INSTRUCTIONS

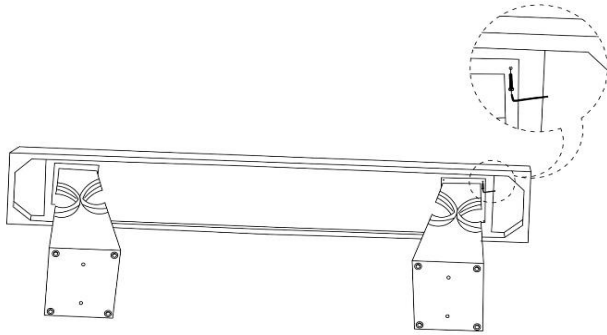

### ITEM DESCRIPTION:

Item No. : FLI17      Name: Ayni Console

Material Type: Mango Wood Veneer

Finish: Whitewash

Item Net Weight: Top 70.4 lbs & Bottom 57.2 lbs

• **Do not throw away packaging materials until assembly is complete.**

### TO ASSEMBLE:

1. Place the wooden top upside down on a flat, stable, and protected surface to ensure proper support during assembly.
2. Carefully place both wooden bases onto the underside of the wooden top. Ensure that the holes on the iron plates are properly aligned with the corresponding holes on the top.
3. Insert the Allen bolts into the aligned holes and tighten them securely using an Allen key.
4. Turn the console upright with the assistance of another person.

### PARTS INCLUDED:
