Assembly Steps:

Please do not discard any packing material until installation is complete.

- Lay down the stone marble top upside down on a clean, flat surface.
- Locate the iron plate attached to the bottom side of the marble top. Ensure that there are four holes on this plate.
- Locate the iron plate on the top of the wooden base. Ensure that there are also four holes on this plate.
- Align the holes on the iron plate of the marble top with the corresponding holes on the iron plate of the wooden base.
- Once aligned, insert one allen key bolt into each of the four aligned holes, ensuring they pass through both the marble top and the wooden base.
- Using the allen key, tighten each bolt securely, ensuring that the marble top is firmly attached to the wooden base.
- Inside the wooden base, locate the cylindrical space designed to hold the cylindrical marble stone.
- Insert the marble stone into the designated space within the wooden base, ensuring it fits snugly.
- Double-check the alignment and tightness of the bolts to ensure stability.
- Carefully flip the assembled coffee table right side up, taking care not to damage the marble top or wooden base.
