### PRE-ASSEMBLY:

- Remove all parts and hardware from box along with any plastic protecting packaging.
- Do not discard any contents until after assembly is complete to avoid accidentally discarding small parts or hardware.

### TO ASSEMBLE:

- Carefully unpack all fixture parts and hardware and lay them on a soft surface for assembly.
- Put and assemble the glass shade(B) with the lamp body(C) by turning lamp finial (A) in a clockwise direction until tight .
- Using the provided Charging cable (T) and WALL CHARGER (not included) to charge. Make sure the product is fully charged before its first use.  
Solid Red: Fixture is charging. Solid Green: Fixture is fully charged. Please remove charging cable after fully charge.
- Tap the touch dimmer (D) of the lamp to turn the fixture on and off. Touch to adjust the brightness.
- When the battery capacity less than 10%, the indicate light (O) will flash and turn red to indicate re-charging is needed.
- Approximately 6hours charging time, USB-C Magnetic Charging Cable.
- This product is suitable for indoor use only.

### CARE INSTRUCTIONS:

- Clean with soft, dry cloth.
- Always avoid the use of harsh chemicals or abrasive cleaners as they may cause damage to the lamp.

### IMPORTANT SAFETY INSTRUCTIONS:

This instruction is provided for your safety. It is important that it is read carefully and completely before assembling the fixture.

### WARNING:

- Do not touch bulb when fixture is turned on. Do not look directly at lit bulb.
- Keep flammable materials away from lit bulb.
