

ASSEMBLY INSTRUCTIONS

ITEM DESCRIPTION:

ITEM NO.: WSI02 NAME: Orion Wall Sculptures, Set of 3

MATERIAL TYPE: Glass FINISH: Antique Mercury

ITEM NET WEIGHT: 6.5LBS

- Do not throw away packaging materials until assembly is complete
- Stud mounting is recommended. Use proper hardware for your wall type, these instructions are for drywall. When in doubt, consult your local hardware store. For your safety, installation by two people is recommended.

TO ASSEMBLE:

1. Position Wall Decors in desired location on wall.
2. Fix the back plate to the wall using screws and wall plugs. Place the black plate cover on the stud. To increase the depth of the wall décor, three different pipe sizes are included: (3) 1", (3) 2", and (3) 3". If additional depth is required, place the suitable pipe on the stud as per the requirement. Then position the wall plaque onto the stud through the back hole and tighten it by turning clockwise. If no additional depth is needed, mount the plaque directly onto the stud. Repeat the same process for all wall decore.
