LOCKHART TRAY

2060
Bengal, Marble

Let the stage of your display be a part of the presentation. This tray, made from gorgeously veined bengal marble, is an eye-catching piece on its own with its elaborate rust-colored textures. The slab rests on a low brass rail stand, finished in a handsome antique brass. We see this as a bar cart tray or a display stand for a console — but it is truly versatile for any type of display. Marble will vary.
