Satin Silvered Bronze, Glass

Mercury glass has been used for centuries to create traditional décor pieces. This table lamp features a satin silvered bronze finish that's matte and distressed to give it a handsome, aged look. The process naturally creates drip textures that make it even more spectacular—when switched on, it has a rainbow-like iridescent sheen. The base is crafted from gold-leaf finished wood. It is topped with a gray morn linen drum shade with white cotton lining. finish will vary.
