## GILES WALL SCONCE

44749-554  
Antique Brass, Brass

Profiling a glamorous silhouette that possesses sculptural and textural elements, the Giles creates interest and intrigue. A hand-hammered antique brass dish sets a modern foundation for this functional art piece, while a tall white linen shade keeps it classic. A solid bronze iron arm showcases a forged knot detail that ties these mixed materials and design elements together. The curvature of the backplate works to contour the light and create a warm glow. Pair with another for a double dose of glam. Finish will vary.
