BAJA CHANDELIER

45083

Dark Gray Wash, Wood

A natural take on classic design the Baja chandelier finds balance and defines beauty with organic materials. The layered concentric construction is crafted from wood and coconut beads that are strung along an antique brass frame showcasing a melange of smoky hues. Coconut shell talons hang from the wood bead strands. Though light and airy this 3-light chandelier establishes a strong natural presence in any setting. Finish will vary.
