## ORLA PENDANT

45205  
Natural, Rattan

The Orla redefines organic lighting with a bold combination of natural materials. The rattan shade, suspended from an antique brass finished steel chain, is adorned with hundreds of matte white coconut shells that scale the surface, leaving enough rattan toward the top. When illuminated, the one-light pendant brilliantly highlights the imperfect shell formations and offers an inviting warmth to a space. Finish will vary. Additional chain available (CHN-215).
