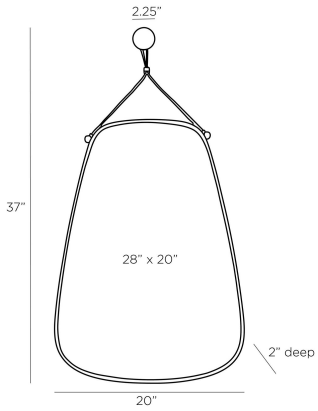
NORISSA MIRROR



4678

Antique Brass, Iron

Gaze upon the sophistication of this unique wall mirror. The mirror itself is framed in warm, antique brass-finished iron, with a black leather loop that appears to be suspending the mirror — mounted with a security cleat. While the strap is a decorative element, it can be adjusted by a sliding cuff, so you can choose the length. Security cleat hanging hardware allows this mirror to hang vertically. Leather and finish will vary.
