## EDISON CREDENZA

4883  
Ivory, Vellum

A study in architecture and design, the Edison delivers style and function. This deco-inspired credenza features an antique brass steel base that showcases an ivory vellum-paneled façade framed by solid oak & oak veneer in an ebony finish. Linear handles finish this piece, while rounded edges soften its rectangular form. Its versatile aesthetic easily blends into any style décor. Use as a cabinet to stylishly store china, or as a contemporary solution for concealing collectibles. Finish will vary.
