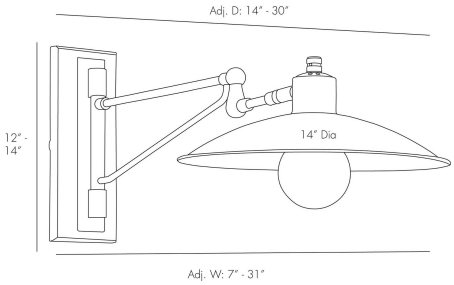
NOX WALL SCONCE



49084

Antique Brass, Steel

Crafted entirely of stainless steel, the mount and arm have a rich bronze finish that is slightly weathered to add to its vintage look. The shade is finished in an antique brass, while the interior is painted in white for added reflective light. It is mounted on an 180° swivel arm and the shade has slight vertical maneuverability. Shown with a 5-inch frosted globe bulb. Certified for damp locations and intended for interior use.
