ODESSA TABLE LAMP

49096-652
Fossil, Resin

What a wonderful geological find this lamp is. The faux concrete base looks just like the real thing, but it's been crafted to be lighter and more gentle on table tops. It is truly astounding how artisans can create such wonderfully organic textures by hand. Its wide stature makes a big impact and fills a console nicely. Topped with a slip uno fitter oval shade in white linen with ivory cotton lining. Equipped with a full range dimmer switch. finish will vary.
