NALA PENDANT

49174
Clear, Glass

Two shades of hand-blown glass forms the drop of this pendant. Seemingly simple in its design, an inner teardrop-shaped shade conceals a standard bulb in opal glass, then a larger shade rests outside it, exposing the inner piece in clear glass. Both hang from a stainless steel stem and mount, both finished in brushed nickel. Additional pipe available (PIPE-181). Also available in antique brass (49098). Certified for damp locations and intended for interior use.
