FISK PENDANT

49388
Bronze, Steel

The Fisk presents design elements that are minimal and modern. Though its foundation may seem simple it's anything but. The circular open-form steel bronze structure features an LED ring that pivots from lying flat within the frame to almost vertical—a unique feature that allows you to set the scene from sleek and straightforward to daring and dramatic. Additional pipe available (PIPE-447). Certified for damp locations and intended for interior use.
