## DOUGLAS WALL SCONCE

49667-107  
Natural, Rope

A modern form with a coastal feel takes shape in this eye-catching wall sconce. Thick jute is wrapped around an antique brass iron base which slightly peeks out at the top to display a unique contrast of mixed materials. Not only does the jute deliver a natural element to a space it provides both visual and tangible texture. Topped with an off-white linen shade. Due to the natural materials the color of the jute may vary.
