

ARTERIOS

OAKLAND PENDANT

49794
Matte Bone, Porcelain

The Oakland finds a balance between traditional and modern. The conical-shaped shade of this pendant is crafted from porcelain in a matte bone finish and is suspended from an antique brass steel link chain. A chiseled texture has been applied to the shade, adding a sculptural appeal to its clean-lined aesthetic. The light delivers a translucent quality when in use and helps highlight the bone china-esque details. Additional chain available (CHN-262). Certified for damp locations and intended for interior use.
