TURNLEY CONSOLE

5028
Gray Lacquer, Wood

Clean and curvaceous lines define this console's sleek profile. A rich gray lacquer finish brings a luxe shine to the wood frame, while the thin antique brass inlays that lie near the edges elevate its overall sleekness. A slight incurve of the legs breaks away from traditional aspects of the console tables and brings forth a modern quality. The versatility of its design allows it to be styled in various settings.
