## PARNELL DESK

5081  
Chateau Gray, Ofram Veneer

Grand curvatures and modern gray tones make for an inspiring place to work. The frame is coated in an exclusive, charcoal lacquer, rounded to give the desk a uniquely updated design. On the wide work space is a lacy and light, tropical ofram wood veneer in chateau gray, laid with a slip matched technique where the slices are patterned in the same way, rather than alternating. In keeping the façade clean and sleek, the drawer features a recessed handle, with single extension, soft-close glides.
