

JONATHAN SIDE TABLE

5123

Sable, Oak Veneer

The Jonathan side table exemplifies contemporary craftsmanship. A rich sable finished oak veneer sets the foundation of this piece. The two-door face is composed of a visually striking radial eucalyptus veneer pattern in a brindle finish, and serpentine-style antique brass handles add an Art Nouveau-inspired element that ties this piece together. Soft-closing cabinet doors reveal an adjustable shelf inside for ample storage space. The piece rests on four tapered, antique brass legs. Wood may vary.
