

LAFAYETTE CABINET

5126

Chateau Gray, Ofram Veneer

The Lafayette cabinet brings interest and charm with its unexpected silhouette. The figural ofram veneer in chateau gray creates a unique radial pattern on the cabinet face, met by an opposing horizontal pattern on the top. Offset bronze-finished brass pulls with a hammered texture and eye-catching pattern create a focal point that ties this piece together. Beautifully showcased on a matching bronzed brass base. Ample storage is achieved with two upper drawers and a set of lower cabinet doors. Pattern will vary.
