OGDEN ENTRY TABLE

5706
Ash, Lava Stone

Simple in form, rich in detail, the Ogden offers a bold use of natural material and modern design. Crafted from a lava stone top and a lightweight pumice concrete base. The design balances the perfect ratio of varying tones and textures — from the circular ash-finished top with a chattered detail to a white pedestal base with a crater-like façade. Finish will vary.

APPEARANCE

Materials	Lava Stone, Lava Stone, Concrete
Finishes	Ash, Ash, White
