DARIA TALL VASE

7830
Matte Black, Ceramic

Sporting a heavily textured wildly unique façade the Daria is absolutely eye-catching. Ceramic is crafted in a fashion reminiscent of jackfruit with tiny spikes that cover its matte black-finished surface which is mounted on a matte black base. We see this piece displayed with a bouquet of small blooms or showcased solo as an eccentric centerpiece. Pair with the shorter version to deliver an even more textural appeal. Watertight.
