VINCENT SOFA BUTTERSCOTCH

8154
Butterscotch, Leather

The inspiration for this sofa comes from a vintage Parisian find, adored for its unique shape and traditional styling. Though slightly updated, it stays true to the fanciful air of its predecessor, with welting details that accentuate the curves. The butterscotch leather back cushions are made just a little smaller than the seat cushions—which have a split seam—in order to create a playful imbalance. Sits on dark walnut finished maple wood legs.
