## MENDEZ CHANDELIER

84065  
Clear, Slump Glass

A masterpiece in understated beauty, the Mendez balances high-style design and organic composition. Nine panels of scalloped-shaped slump glass are bent over an antique brass iron frame, each an individual shield for a bulb. The glass panels feature a smoke luster finish and a hammered texture that work in unison to diffuse and disperse light and elevate the unrefined elements of the overall aesthetic. Finish will vary. Certified for damp locations and intended for interior use.
