MAHOWALD FIXED CHANDELIER

89103

Antique Brass, Steel

Strikingly modern, this chandelier makes a big impact in any space. Dozens of uniquely made steel pipe joints are connected to create the nebulous branches that hold the 16 lamps. Each lamp is fitted with a crackled glass globe that's cut at the top to cast unfiltered light upward. Like a floating sculpture, the entire piece suspends from a matching antique brass platform mount on four steel cables. Certified for damp locations and intended for interior use.
