HARRISON LINEAR CHANDELIER

89467
Antique Brass, Steel

Minimalist and modern, the Harrison is a paradigm of linear lighting. Its lined silhouette presents six opal glass globes and is composed of antique brass steel that has been wrapped in cream-colored leather. The middle of the frame features an arch that was inspired by the grand corridors of historic buildings, lending an architectural element to its straightforward design. Finish will vary. Additional pipe available (PIPE-422). Certified for damp locations and intended for interior use.
