Smoke Luster, Slump Glass

The Nebula reimagines contemporary lighting with an unrivaled design. The unique cloud-like, oval shape is crafted from slump glass in a smoke luster finish, suspended from an antique brass iron frame. The glass form features cutout discs, which allow each of the eight lights to generously shine through. The smoky finish creates a storm-cloud ambiance when illuminated. Finish will vary. Additional pipe available (PIPE-226). Certified for damp locations and intended for interior use.
