

ARTERIOS

DAVID SCULPTURES, SET OF 2

9235
Ivory, Ricestone

Inspired by the abstract faces that defined Picasso's artistic career these sculptures are just as artistically daring and defiant. White ricestone is extraordinarily carved leaving the onlooker awe-struck each time they are admired. A thin antique brass pillar extends from a luxe clear crystal base to showcase this striking set. A true work of art for any style space.
