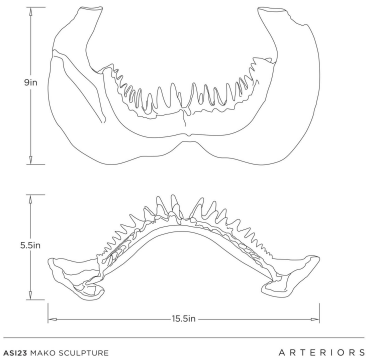
MAKO SCULPTURE



ASI23
Antique Brass, Cast Aluminum

Inspired by the formidable jaw of a deep-sea hunter, the Mako Sculpture reimagines a shark's jaw in sculptural form. This piece is crafted from cast aluminum with an antique brass finish, giving the sharp, organic form a refined, artisanal luster. Whether styled on a console, bookshelf, or entryway, it serves as a bold, conversational accent that merges oceanic wonder with modern luxury.
