## INLET CHANDELIER

DLC36  
Ivory, Faux Shagreen Leather

Faux shagreen leather is carefully shaped and stitched to form the shades of the Inlet. Embossed with a shagreen stingray texture, the ivory domes suspend from a linear arm of English bronze steel. A leather cap centers the base of this dynamic style. A dramatic accessory, this style can also be complemented by the matching Inlet sconce. Finish will vary. Certified for damp locations and intended for interior use.
