MAHOWALD FIXED CHANDELIER

DLC53 MAHOWALD FIXED CHANDELIER ARTERIOS

DLC53
Chrome, Iron

Composed of chrome steel pipe joints that extend into nebulous, branch-like forms; the Mahowald Fixed Chandelier reads as a suspended sculpture in motion. Sixteen crackled glass globes punctuate the structure; their textured surfaces diffusing light with a subtle shimmer. Hung from four slender cables, this modern chandelier appears to float overhead, casting a luminous glow that makes a bold architectural statement in contemporary spaces.
