OVA MULTI-DROP CHANDELIER

DMC38
Antique Brass, Iron

Mimicking the graceful silhouette of a pearl pendant on a necklace, the Ova Multi-Drop Chandelier is meticulously crafted from iron with an antique brass finish. Each drop is suspended to simulate the delicate drape of fine jewelry, offering a sophisticated and sculptural focal point for various interior settings. Adjustable chain suspension from a central canopy with six independent ceiling mounting points; chain length and mount placement allow for customizable overall height and width.
