

# ARTERIOS

## LEONARDO CHANDELIER

DMI26  
Antique Brass, Iron

Highlighting tack welds, our raw-edged style offers dual drums of antique brass-plated iron that shimmer and reflect the bulbs within. Hung from a textural pipe of antique brass-plated cast aluminum, the flame-cut edges and matching finial highlight the artisanal craftsmanship behind this tiered style. Certified for damp locations and intended for interior use. Finish will vary.
