SALOTTO COCKTAIL CABINET

DP4004
Golden, Oak Wood

Wrought with fine details, the Salotto cocktail cabinet is the crown jewel. The vellum panels were inspired by a pair of bronze doors at Villa Necchi in Milan. Originally designed to guide air through a solarium, the reinterpreted cut-outs are purely decorative, offering a glimpse of the beautifully-layered contents within. Golden oak and bronze hardware add another layer of craftsmanship. Vellum will vary.
