## NOBLE PENDANT

DPC42 NOBLE PENDANT

ARTERIOS

DPC42  
Clear, Crystal

The Noble Pendant achieves a sophisticated balance between structural gravity and contemporary form, resulting in a design that is both striking and composed. A thick globe of sculpted clear crystal serves as the centerpiece, featuring a carved-out core that houses the light source to produce a brilliant, filtered glow. Suspended by a sleek cloth cord and accented by a stainless-steel band in an antique brass finish, this piece delivers a clean, contemporary presence with a refined interplay of material and light.
