RAINE WALL SCONCE

DWC17
Blue Smoke Luster, Glass

Our Raine sconce was inspired by the vintage Murano glass lighting made popular in the '60s and '70s. The cascading silhouette is embellished with half-round layers of blue smoke luster seedy glass in staggered sizes. The lustrous glass pieces fold over a tiered iron frame, which is finished in antique brass. The result is a dramatic and textural waterfall effect. The glass strips can be removed to provide additional illumination if desired. Finish will vary. Certified for damp locations and intended for interior use.
