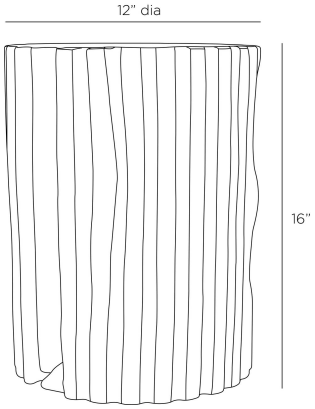
# WILBUR ACCENT TABLE



FAS01
Ebony, Wood

Earthy and elegant, the Wilbur side table features fluting reminiscent of classical columns. Hand-carved from solid ebony teak root, this organic accent showcases gauged details that celebrate the natural beauty of the material, lending a stump-like, found-object sensibility. Due to the inherent movement and aging of the teak root, each piece displays a unique wood checked table top that adds depth and individuality. Natural cracks and knots are inherent in the design and will continue over time, making each Wilbur one-of-a-kind. Finish will vary.
