## TOBAR SIDE TABLE

FII02

Ebony, Wood

Possessing a midcentury sensibility, the Tobar side table delivers on artisanship and robust scale. The two-drawer accent table is crafted in a rich case of ebony oak with ribbed details, creating beautiful linear shadows. Recessed bands of antique brass visually separate the ribbed drawer sections. Black suede lines each drawer. The table is finished on all sides, enabling it to float in a room. Finish will vary.
