

ARTERIO RS

TOULOUSE CONSOLE

FLS02
Blonde Straw Marquetry, Oak
Veneer

Inspired by traditional Art Deco straw marquetry, the Toulouse console offers a refined way to incorporate texture. The piece is clad in blonde straw oak veneer, with a sophisticated woven pattern, and constructed in a simple, waterfall silhouette. Bronzed brass provides a contrasting accent for the legs and is used again to accentuate the console's mitered joints and sleek architecture. Finish will vary.
