

ARTERIO RS

GINNI CHAIR

FRI24

Charcoal, Bouclé

Inspired by the wide-ranging span of a Longhorn, Ginni's exaggerated wood backrest is set slightly backward for stylish support. Covered in charcoal bouclé with accents of ebony mango wood, this handsome style delivers a dynamic balance of form wherever it is placed. Designed with an appropriate height for a dining room, accent chair, or vanity, the Ginny has casters for easy movement from room to room.
