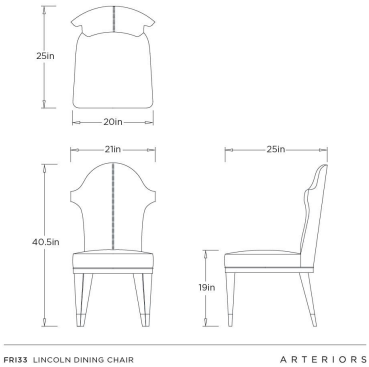
ARTERIORS

LINCOLN DINING CHAIR



FRI33
Forest, Suede

A traditional demi-wing dining chair displays a touch of whimsy via splayed beech wood legs in an ebony finish and flared back detail. Topstitched couturier accents allow the forest suede to appear equally stylish from the back, making this adaptable style suitable for use at a dining table in multiples or singly in front of a vanity. Antique brass ferrule details complete the tailored look. Wood will vary.
