## LAFAYETTE CREDENZA

FZS12  
Chateau Gray, Ofram Veneer

The Lafayette credenza brings interest and charm with an unexpected silhouette. Figural ofram veneer in chateau gray creates a dynamic sunburst pattern on the cabinet face, met by an opposing horizontal pattern on the top. Integrated textural hardware of bronze brass creates a focal point to tie this striking piece together. A metal parting rail wraps around the case, while inside each cabinet space is a single removable shelf. Finish will vary.
