TWAIN DESK LAMP

PDC06
Antique Brass, Steel

The Twain table lamp is an example of masterful material mixing and exquisite detailing. This sleek, modern LED desk lamp is created in a L-shape silhouette, with a chattered antique brass stem and contrasting English bronze as the finish on the base. A plate of white alabaster forms a diffuser, casting soft surface illumination. The knurled, antique brass dimmer knob rests atop the base, adding embellishment and grip. Finish will vary.
