

TOWNSEN TABLE LAMP

17483-594
 Icy Morn Ceramic
 H: 31 IN
 Dia: 18.0 IN

The irregular angles and distinct lines of the multifaceted surface work together to create the Townsend lamp. The icy morn finish lends a cool touch to its dramatic geometric form. Up close, you'll notice a slight crackle texture in the finish. Topped with an ivory microfiber drum shade with white cotton lining and matching ceramic finial. Finish will vary.
