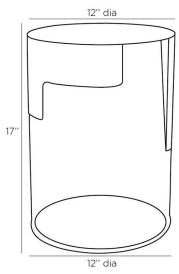
JESSE ACCENT TABLE

2103
Smoke
H: 17 IN
Dia: 12.0 IN



A rich mix of materials yield this unique and modern accent table. Smoke glass is topped with a vintage brass metal cuff, artistically angled to showcase each material and to deliver a geometric dynamic to the cylindrical shape. The open bottom provides a certain airy quality to this translucent accent piece and is fitted with a rubber seal to prevent scuff marks on the floor.
